#### Description

Gender equality (and its economic, social and political aspects) is perceived as an important issue for the development of all 3 Eastern Partnership countries (UA, MD, GE) involved in the project. All three partner countries involved in the regional project are among SlovakAid's territorial priorities according to the Medium-Term Strategy (MD- Program Country, UA and GE - Project Countries). The theme of the project is in line with the sectoral priorities defined in the Mid-term Strategy. At the same time, the project fully fits into the sectoral sectoral priority - promoting gender equality and empowering women.
