Description

Study visit for representatives of state institutions of Ukraine to Slovakia - a series of meetings with experts of various Slovak institutions. The topic was implemented in the form of lectures and practical demonstrations of relevant processes. Its focus was on the capacity building of Ukrainian state officials in the field of border and customs services and management, in particular institutional and legislative framework, governance and competencies of Slovak institutions, including practical examples of relevant processes and knowledge exchange, etc. Main topics covered by the Slovak Financial Administration (SFA) were: inspection scanning systems used and technologies deployed by the customs offices at SK (EU) borders/border crossings, performance of customs controls on the Slovak-Ukrainian border, educational system in SFA, activities of the SFA Criminal Office, SFA risk management.
