Description

Through this project, based on a long experience that the Slovak Republic as donor and UNDP have gained over the course of the past decade, the Ministry of Finance of the Slovak Republic and UNDP help put development effectiveness principles into practice, thus contributing to advancing the effectiveness of global development efforts to achieve the Sustainable Development Goals. The Project aims at (i) enhancing and strengthening the national public finance capacities in partner countries through effective provision of the (mostly) Slovak knowledge and experience in PFM and DRM, (ii) engaging private sector in development cooperation with a view to mobilize financial resources, knowledge, expertise and technologies as well as (iii) enhancing capacities of development professionals through capacity building in development cooperation topics.
