Description

The aim of the project is to improve basic education in the Republic of South Sudan, by expanding the existing St. Vincent de Paul Primary School, in Juba - Gumbo. The capacity of the school will be expanded 8 new classrooms. Another objective of the project is to enhance the qualifications of teachers of the school through a program of courses and trainings. After graduating the participants will acquire the appropriate knowledge and would have skills of effective pedagogical work. The objective of leisure time activities is to develop the moral and social skills of children and provide them with a meaningful alternative of spending time.
