Description

The project is a development project aimed at technical aid for Montenegro via transfer of unique Slovak know-how from the area of integration into NATO and EU, specifically in the area of security. The project will be implemented from September 2013 until June 2014, 10 months overall. The project addresses main development challenge - Insufficient knowledge among Montenegrin society about the country's NATO accession. The contractor in cooperation with the local partner will implement activities designed to address this challenge. These will be: speaking tour, international conference, seminars for analysts and media, study on Montenegro's progress in integration, study trip to Brussels.
