Description

The volunteer will organize formal and non-formal English and computer education for children and young people. The volunteer will prepare, in addition to computer lessons, other leisure activities for children according to their interests and abilities. With local educators and co-workers, they will share the methodology of working with children and young people developed in Slovakia by eRko. In addition, the volunteer will assist in administrative work, communication with European partners, etc., according to the current needs of the project partner. During September and October, he will visit several development projects that promoted eRco in different parts of the country in Ethiopia in order to better and more thoroughly learn about development work and its impact on the lives of local people and communities in Ethiopia. The volunteer will thus gain a better understanding of the successes and challenges of community development in the urban and rural environments.
