Description

The main objective of the project: USHIRIKIANO CENTRUM (Malindi, Kenya) Mary's Catholic Dispensary in MSABAHA, the project is co-founded and supported by the petitioner. Provides educational, social and nutritional support for people in need and comprehensive care for people infected with HIV virus. The volunteer's stay will be profiled especially for the participation of: 1.) Educational project A.) Formal education • Help children from poor families get basic education. (school / school assistance), school fees (50% -100%), basic school aid). B.) Non-formal education • Lessons for mothers of children, though supported by one of our projects. Lessons are focused on adherence to good hygienic habits, domestic order, common diseases of the 3rd world, motivation of children to learn, the consequences of not paying school fees, and many other topics according to the current needs of society and problems arising during project activities. C.) Children lessons and activities. Lessons are focused on topics similar to mother lessons so they can easily collaborate in the family of children and mothers. Lessons are not just words, but we mainly use visuals, animations, theaters and more. Other topics include: deception versus truth, need for education, how to kill boredom through holidays, help your family ... and others. D) Computer lessons for high school students, kt. are included in our educational project. 2.) Social project - helping poor families, especially in the form of food. There are also donations of clothing, shoes, household items, bed mattresses and linen, and much more according to the actual needs of a particular family (such as the roofing of the house, lunch at school).
