Status	OECD approved

Description

The project, supported by the EU funds, was prepared in cooperation with 10 organizations and will be implemented in 9 EU countries. The overall objective of the project is to increase the engagement of policy-makers in promoting coherent policies to achieve SDGs and to strengthen key actors in understanding global interdependencies and engaging them in concrete policy actions for sustainable development. The specific objective of the project is to engage policy-makers, civil society organizations and other key actors in the implementation of SDGs by 2020, and to take coherent measures, particularly in poverty eradication, decent work, responsible consumption and production and responses to climate change.
