#### Description

Project Global Development Education for Journalists is a continuation and further development of long-lasting programme of education of journalists at all levels of their education. Its main objective is to integrate global development issues into the curriculum and practice via several development-oriented university subjects at 2 journalism departments, and via 2 non-formal education courses of professional journalists. It comprises also of tight cooperation with one of the main Slovak broadsheets - Hospodárske noviny, publishing of articles on development issues and organising of 2 discussions at documentary film festival One World.
