Description

The House of Family project is part of a network of Slovak children's homes in Cambodia called House of Family, whose founders and coordinators are St. Elizabeth's College of Health and Social Work, no; and the civic association Two-Color World. Children's homes are designed for HIV-positive orphans in Cambodia. The total number of children in homes is 150. The House of Family Sihanoukville was established in 2009. It has 75 children between the ages of three and sixteen. The volunteer and his activities will contribute to the Agenda 2030, to which Slovakia has committed itself in the area of poverty reduction and social inclusion. Its activities focus on: human rights and human dignity. Basic role of a volunteer: activities with children in the House of Family, teaching, tutoring.
