Description

From April 22 to April 27, 2019, a study visit of a delegation from Georgia took place in Nitra and Smolenice, Slovakia. The aim of the study visit was to share the experience and expertise in the field of landscape management and research between Georgia (Ivane Javakhishvili Tbilisi State University) and Slovakia (Constantine the Philosopher University of Nitra), and to discuss the possibilities of long-term cooperation, as well as to attend a research symposium organized by the Slovak Academy of Sciences and to present the current state of Georgian research on these topics.
