Description

The House of Family project is part of a network of Slovak children's homes in Cambodia called House of Family, the founders and coordinators of which are the College of Health and Social Work of Saint Elizabeth; and the civic association The Two-Color World. Children's homes are designed for HIV-positive orphans in Cambodia. The total number of children in the homes is 150. The House of Family Sihanoukville was founded in 2009. It has 75 children aged three to sixteen. Medical health care is provided to children by doctors / experts of the Health College. and soc. work of holy Elizabeth. In addition to a doctor, social welfare provides children with another crew member, social worker / logist. Volunteer role: Leisure activities with children in the House of Family, teaching, tutoring.
